Tracklist:

- 1.This living kills
- 2.Teenage kicks
- 3.Peñaflor
- 4.Prayers for time (live)

Selling points:

- . Advance EP from forthcoming album "Rock for food"
- . Recorded by Xavi Navarro & Santi Garcia at Ultramarinos Costa Brava Studios.
- . Contains previously unreleased material such as "Teenage kicks" Undertones cove and exclusive track "Peñaflor" plus live track "Prayers for time"
- . First spanish band ever to be invited by John Peel to record two Peel sessions, in 2001 and 2003.

While we wait for the forthcoming new album by The Unfinished Sympathy (the third full-length), these four rockers deliver us a small and nice EP to make this wait sweeter and shorter. 4 songs to listen to in the summer, to sing melodies and to rock with the sun in your face. "This living kills" is a song from their new album. Rocking,catchy and a clue about where the band is going with their new record. Together with this song comes a cover of The Undertones' classic "Teenage Kicks", the previously unreleased "Peñaflor" and a live recording of "Prayers for time", from the band's previous album "An investment in logistics". A perfect soundtrack for a nice summer from the nicest indie rockers in Barcelona.
